

SEQUENCING DRUM LOOPS – STEP EDITOR

Music Production & Engineering – Level 2

Video Tutorial: [Step Editor in Mixcraft](#)

Assignment:

1. Use Mixcraft to create a 30 second music sample.
2. You will create a small project of at least 4 tracks.
3. At least TWO tracks using the STEP EDITOR:
ONE TRACK of DRUMS
ONE TRACK of BASS/OTHER
4. You can add additional pre-made loops to your project
5. Save your project file to the "MUSIC SHARE FOLDER"
