Mix A Speech - Project 3

The purpose of this project is to create an audio project containing various clips and excerpts from movie quotes, speeches, dialogues, etc. The project will have a central theme and contain a music track that plays along in the background while the spliced "speech" is being played.

Some project themes that work are:

1. Various movie quotes from a famous actor/actress. Focusing on the actor/actresses filmography
2. Movie quotes taken from the same movie
3. Centralized social theme (war, peace, celebrations)
4. Television quotes from a TV Show

Procedures:

1. Download the audio clips online from various sources. See below
2. Every 10-15 seconds there should be a change in the song by way of a different audio clip.
3. Each audio clip should be no more than 15 seconds
4. Need to have at least 15 **audio clips** in the project.
5. Paste the audio clips together in separate tracks.
6. Make sure each audio clip is adjusted in volume and in panning.
7. Project needs to include ONE AUDIO TRACK of music that relates to your project. Audio track should be playing in the background as your clips are being played.
8. Project should be at least 1 1/2 minutes in length. NO MORE THAN TWO MINUTES
9. Save your project as an AUDACITY PROJECT FILE (Project 3, LAST NAME)
10. Have fun and be creative!!

KEY POINTS:
